RE: Status of Idyllwild Town Hall

Dear Parent(s)/Guardian(s) of the Idyllwild Town Hall Afterschool Program:

First, thank you for your patience during the past few weeks. Further review of Town Hall has resulted in a recommendation for minor work to prevent the asbestos from being disturbed. The Park District will be completing the recommended work as quickly as possible with a goal of returning programs to Town Hall by January, if not sooner. The Afterschool Program will continue to take place at Idyllwild Nature Center until the work is complete. Again, we will continue to provide updates as additional information is available.

Thank you for your cooperation and understanding.

Respectfully,

William T. Cloake IV

Superintendent – Community Parks and Recreation Centers
